This image shows a full page of white paper with horizontal blue ruling lines. The lines are evenly spaced and run across the width of the page. In the bottom right corner, there is a small, stylized cartoon illustration. It depicts two children: a girl with long blonde hair and a boy wearing a brown cap and jacket. They appear to be looking at a large open book or map. The illustration has a soft drop shadow behind it.

Here is something for the family

Embrace FARM is a farming organisation which was founded by Brian and Norma Rohan, a farming family from Shanahoe, County Laois in 2014.

Brian and his wife Norma with extended family lost his father Liam Rohan to a sudden farm accident in 2012. At Embrace FARM, our vision is a caring and supportive Agri-Community for all affected by Farm Accidents.

AgriKids was founded by Alma Jordan in 2015.

Alma wanted a more family friendly way of increasing farm safety awareness and conversations in homes, classroom and communities nationwide.

AgriKids was therefore founded with the ethos that we positively engage, educate and empower our children to become Farm Safety Ambassadors.
