Embrace FARM's Remembrance Service

The Embrace FARM's annual Remembrance Service provides a place for our farm families to remember those loved ones they have lost and to support those who have suffered injury. Held the last Sunday in June since 2014, the names of those family members who have died are read aloud and their picture (if desired) is placed on the altar. A family member or close acquaintance to the deceased can send us the name and picture of their loved one so they may be included in the roll call. Once their name is placed on the list and picture provided, they are there each and every year to be remembered.

If you would like to add a loved one to the remembrance list, please complete the form on the page opposite and return it to Embrace FARM.

"We remember those we have lost and acknowledge your pain. You are a part of everything that we do, everything that we are. We speak their names because they are still and always will be, a part of us."
